

DESERT CHAPEL CHRISTIAN SCHOOL
RE-ENROLLMENT
For Middle School/High School
2011/2012

Dear Parent,

We are thankful that you are once again considering our school for the continuing *academic and spiritual needs* of your child. We know there are other options available, so when you choose to entrust your child into our care we take every step to assure that your child has a quality educational experience that exhibits the *Christ-centered approach* that you have come to expect from our school.

Each year we continue to be committed to raise our educational standards, enhance our academic environment and prepare our students to become the *Christian leaders of tomorrow*.

With economic indicators suggesting a slow recovery, the escalating costs of education continue to be a cause for concern to all of us. It is with this in mind that our tuition for *new students* will be a modest \$5500/year for Middle School and \$6000/year for High School keeping us well below the other private schools in the area. Tuition for *returning students* will be even lower at \$5,250/year for Middle School and \$5,750/year for High School. Those rates reflect a *minimal increase of only \$20-27/month*.

To further show our appreciation, we are offering returning students who pay the 2011-2012 books and materials fee of \$600.00 prior to May 1st an *additional discount* of \$250.00 on tuition costs. That means that those returning students would have tuitions of \$5,000/year for Middle School and \$5,500/year for High School. *All other fees would remain the same*.

As our staff continues to provide what we consider to be the best in quality Christian education, we hope you will agree that this is the best place for your child to attend school in the 2011/2012 school year.

Your servant,
Mark L. Hackbarth
Principal

We understand that the re-enrollment of our student is also dependant upon the results of an academic, financial and behavioral review of the previous year at DCCS.

The **Academic Review** includes the current GPA, progress towards successful graduation, academic achievements and the student's personal commitment to educational advancement and learning.

The **Behavioral Review** includes attendance, tardiness, disciplinary referrals, suspensions, classroom attitudes, Christian character, moral values and influences that the student has upon others.

The **Financial Review** includes tuition payment history, ability to fulfill current financial commitments, stewardship and any benevolence that might be available.

The findings of this review and this completed application will determine if Desert Chapel Christian School is best suited to meet the needs of our child.
