

DESERT CHAPEL CHRISTIAN SCHOOL
TUITION ASSISTANCE REQUEST
2011-2012

Desert Chapel Christian School offers the opportunity to apply for financial aid and tuition assistance to any student who desires to enroll in our K-12 school. The program is available to students who are currently enrolled and to new students in the application process.

Once the student application for admission or the re-enrollment documentation is submitted, the process of applying for financial aid and assistance can begin.

(See Tuition Assistance Policies below)

Tuition Assistance Applications are reviewed by school administration and processed through a Financial Aid Review Committee. All final decisions regarding financial aid and assistance are made by Desert Chapel and Desert Chapel Christian School.

Desert Chapel Christian School may request additional information to help in the decision making process.

DESERT CHAPEL CHRISTIAN SCHOOL
TUITION ASSISTANCE POLICIES

A formal application must be submitted annually for each individual/family.

Complete the 2011-2012 Budget Work Sheet and return it to the school along with a letter regarding why you are in need of financial aid. These forms may be mailed or faxed to the school office at (760)322-3674.

Tuition assistance will be considered only if all tuition accounts are current and in good standing. No one will be considered who has had a history of delinquent payments to DCCS.

Students who are on probation for academic or behavioral reasons may not qualify for continuation of assistance.

Applications are evaluated and recommendations for approval are made by the Desert Chapel Financial Aid Review Committee and are consistent with current budgetary limitations.

DCCS reserves the right to withdraw tuition assistance if the recipient's account is not paid on a current basis.

Recipients of financial aid and assistance agree to inform the office immediately in writing of changes that might affect their qualifications for assistance at DCCS.

Tuition assistance that has been awarded will be reduced if a student withdraws. When one student withdraws from a multi-student family, the amount allocated to the family may be reduced accordingly.

Desert Chapel Christian School does not discriminate on the basis of race, color, nationality or ethnic origin in administering the tuition assistance program.

Applications for Tuition Assistance must be submitted no later than June 10, 2011. *Completed applications received after June 10, 2011 will only be considered if funds are still available.*
