

DESERT CHAPEL CHRISTIAN SCHOOL
NEW STUDENT APPLICATION
For Middle School/High School
2011/2012

Dear Parent,

We are humbled and honored that you are considering our school for the continuing academic and spiritual needs of your child. We know there are other options available, so when you choose to entrust your child into our care we take every step to assure that your child has a *quality educational experience*.

For over 30 years, we have been committed to raising our educational standards, enhancing our academic environment and preparing our students to become the *Christian leaders of tomorrow*. To accomplish that, we began with a solid *biblical foundation* and then established strong *educational programs*, an abundance of *athletic opportunities* and meaningful *adventures in the arts*. All of which assure that the atmosphere on our campus remains challenging and inspiring both now and for generations to come.

With economic indicators suggesting a slow recovery the escalating costs of education continue to be a cause for concern to all of us. It is with this in mind that our *tuition for new students* is a modest \$5500/year for Middle School and \$6000/year for High School keeping us well below the other private schools in the area. We remain committed to providing you and your family with both a *reasonable and cost effective* alternative to both private and public education here in the Coachella Valley.

A financial commitment of that magnitude means you must be convinced that this is the right school for your child. As our staff continues to provide what we consider to be the best in quality Christian education, we hope you will agree that this is the best place for your child to attend school in the 2011/2012 school year.

Your servant,
Mark L. Hackbarth
Principal
